

PRIOR LEARNING ASSESSMENTS WEBINAR:

Expanding Access in Early Childhood Education

Join us for a webinar on **Prior Learning Assessments (PLA)** and how they recognize college-level learning gained through work and life experience. This panel discussion will feature speakers from four higher education institutions who will share how PLAs are being implemented within their systems, along with insights on successes, challenges, and lessons learned. Participants will gain a clearer understanding of PLAs and their role in supporting more accessible, efficient, and equitable pathways to degree completion.
